About Ascent Consulting Services Private Limited

People Management is a key business function that has a direct impact on competitiveness, efficiency of operations, and long-term profitability of an organization. Which is why, organizations have been investing enormous time and resources in the HR function, which diverts focus from the organization's core business.

Ascent Consulting precisely addresses this anomaly through its 360 degree HR Management Solutions that transform the HR service delivery. While these solutions accomplish cost reduction, greater efficiencies and improved quality, our larger effort is aimed at improving organizational efficiency and not just creating incremental change.

AscentHR has achieved this by building the right mix of skills and knowledge required for an effective Outsourced HR Management function. Our solutions employ a matrix of technology, domain expertise, streamlined business workflow, and highly skilled people to create, tangible, measurable, performance improvements throughout the client's organization.

AscentHR is recognized as one of the most trusted partners in this business by clients around the world. We work as an extension of our client's business. Our management and delivery teams are passionate about building efficiencies in our client's business.

Our bespoke technology solutions for HR Needs are unique in the industry and are backed by the best of industry practices in Data management, Information Security, Data Privacy, anywhere access and very user friendly processes.

At AscentHR automation of all the functions is achieved through a robust, configurable and comprehensible **HRMS** application which caters to diverse organizational strategies and standards.

Investment Proof Submission

GENERAL GUIDELINES

Update your Tax Savings Details with the details of your actual supporting you have for the Financial Year 2019 - 2020.

Enter the data accurately and also re-check before final submission.

Please keep all your investment proofs and supporting documents (soft copy) readily available. These details have to be uploaded under 'Attachments'.

There are two columns with the heading Declared and Submitted. While the Declared column shows the details of your previous declaration provided for tax processing, you will have to enter the details of your actual tax submissions in Submitted section only.

Please use the Rent declaration format for Jan 2020 / Feb 2020 / Mar 2020 which is available under Downloads Menu for future rent payable. Rent Receipt format is also available under "Download" section.

The Income Tax Department insists the employees to provide Landlord's Name, PAN number & Address details in addition to Rent Receipts. It is mandatory to provide the above details if rent paid is more than INR 8,333 per month/ INR 100,000 per annum, in the absence of the above, we are afraid to inform you that HRA exemption may not be extended.

Before final Submission, print of Form 12BB is to be taken (which is generated through ascent portal) and is to be signed and uploaded again, post which Final Submission is to be done.

As per the Income Tax Department vide Circular No.17/2014, employee need to submit either Electricity Bill or Water Bill or Property Ownership Certificate for claiming Home loan benefit under Self Occupied/Let-out house property. This proof is basically to understand / considered that the construction of the property is completed and people are residing in that property.

House Property Exemption limited to 2.0 Lakhs for the FY 2019-20 including Self occupied & Let out property.

Income tax will be calculated based on approved value of investment proofs submitted & all your declaration will be nullified after the cutoff date. Failure to submit the Investment Proofs against declaration will result in higher income tax deduction.

Please be sure about the accuracy of your submissions before clicking the Final submission ("Submit Tax Proof") button as the tool will not allow to make any modifications OR additions in EPSF (Investment Proofs) submission tool.

For help at section please move the cursor to 'i' icon for reference.

Before proceeding to the next section, please click on save button as and when you update & upload the details at each page.
